

Deans of Faculty of Fisheries Science and Community Science under SAUs meet at NAARM

The Agricultural Education Division, ICAR convened a meeting of all Deans of the Faculty of Fisheries Science and Community Science under various SAUs at ICAR-NAARM, Hyderabad during 29-30 June 2017. The meeting was held to review the implementation of Fifth Deans Committee's recommendations. Deans of 21 Fisheries colleges and 18 Community/Home Science colleges participated in the event and presented the status of implementation of the recommendations, in their respective institutions.

Dr. N.S. Rathore, Deputy Director General (Edn), ICAR inaugurated the meeting and gave the Chief Guest address. Dr. Ch. Srinivasa Rao, Director, NAARM highlighted the role of NAARM in furthering the research and teaching efficiency of the faculty members of SAUs. Dr. G. Venkateshwarlu, ADG (EQR), Dr. P.S. Pandey, ADG (EP&HS), Dr. K.L. Khurana, Principal Scientist from ICAR and Dr. (Mrs.) Jatinder Kishtwaria Director, ICAR-CIWA, Bhubaneswar and Dr. R. Kalpana Sastry, Joint Director of NAARM spoke during the inauguration meeting and participated in the discussions.

Several issues confronting the Deans, while implementation of the Fifth Deans Committee's recommendations were deliberated so as to bring uniformity in curriculum and enhance the quality of agricultural education in general and with respect to the faculty of Fishery Science and Community Science, in particular.
