

MDP on Priority Setting, Monitoring & Evaluation (PME) for Agricultural Research Projects held at ICAR-NAARM

24th December, 2018, Hyderabad

The 6th Management Development Programme (MDP) on Priority setting, Monitoring and Evaluation (PME) of agricultural research projects for the In-charges of PME Cell of ICAR institutions was organized by the ICAR-National Academy of Agricultural Research and Management (NAARM) during 17-22 December 2018.

The Heads of PME Cell from 30 ICAR institutions participated in the program. The MDP comprised of modules on concepts and principles of prioritization, monitoring, evaluation and impact assessment of agricultural research projects. The participants were given hands-on training on the various software tools developed by ICAR-NAARM for project management. They were sensitized on the various scientometric tools, global and national frameworks for measuring research efficiency and ICAR guidelines pertaining to the various functions of PME Cell like data policy, publications, project management, technology management, etc.

The program was concluded on 22 Dec 2018 and Dr. Ch. Srinivasa Rao, Director, ICAR-NAARM delivered the valedictory address. Shri. B. Pradhan, Additional Secretary, DARE and Financial Adviser, ICAR graced the occasion as Chief Guest and distributed the certificates.
