The rates should be valid for 90 days from the last date fixed from receipt of the tender. The rates should be on FOR basis.

Parties are requested to make a visit to site and fully acquaint themselves about the site conditions, nature of work to be carried out.

Non- familiarity with the site condition shall not construed or attract for increase in rates if any, after acceptance of quoted rates.

The quoted rate shall be inclusive of all materials, labour required for carrying out the work, loading - unloading, transportation, taxes, duties and scaffolding etc. And shall also include those items which are not specified but required for completion of the works.

The vendors/bidders should quote the rate in figures as well as in words, and amount tendered by them. The amount for each item should be worked out and the requisite totals given in the Bill of Quantity (BOQ) as provided with the tender documents. The taxes, duties, or any other charges over and above the rates should be mentioned clearly.

**The technical bid will be opened first. The financial bid will be opened only of the firms who qualify at the level of technical Bid at a later date after evaluation of technical bids.** The bids will be evaluated on the total cost quoted in the price bid for the tentative quantity of the items.

4. **Commencement of Operation:** The work shall commence immediately on issue of work order and shall be completed within 15 days of the work order.
5. **Warranty support:** The successful bidder must furnish a warranty for all hardware,

software and other items supplied for providing free post – installation comprehensive onsite maintenance and replacement support for a period of three (3) years from the date of successful commissioning of overall configuration as certified by ICAR – NAARM. Warranty period shall commence after ICAR – NAARM evaluates the performance of the system and acceptance certificate is issued.

6. **Security Deposit:** (i.e Performance Security): (a) The successful bidder must deposit 10% of the work order as security deposit within the stipulated time, in the form of a fixed deposit / bank guarantee from any scheduled Bank drawn in favour of “ICAR Unit – NAARM A/c”.
7. **Refund of Security Deposit:** After successful completion of the work and after expiry of Warranty Period.
8. **Payment:** Payment shall be released after satisfactory completion of works in all respect. Necessary statutory deduction as applicable shall be made from the amount payable to the party. Payment will be made through e payment and required Bank, tax particulars shall be submitted
9. In the event of any question, dispute or difference arising under these conditions relating to this contract will be resolved through joint discussion of the authorized representatives of the concerned parties. However, if disputes are not resolved by joint discussions, then the matter will be referred for adjudication to a sole Arbitrator appointed by the Director of the Academy. The award of the sole Arbitrator shall be final and binding on all the parties. The arbitration proceedings shall be governed by Indian Arbitration and Conciliation Act 1996 as amended from time to time. The cost of Arbitration shall be borne by the respective parties in equal proportions. During the pendency of the arbitration proceeding and currency of contract, the Contractor shall not be entitled to suspend the work/service to which the dispute relates on account of the arbitration and payment to the contractor shall continue to be made in terms of the contract. Arbitration proceedings will be held at Hyderabad only. The Courts at Hyderabad shall have the exclusive jurisdiction to try all disputes, if any, arising out of this agreement between the parties.
10. The Director, ICAR – NAARM reserves the right to accept or reject any or all tenders, received by it without assigning any reason whatsoever.
