

Technology Enhanced Learning Training Programme Concludes at ICAR-NAARM

The ICAR-National Academy of Agricultural Research Management (NAARM), Hyderabad, has conducted a capacity building programme on Technology Enhanced Learning during January 25-31, 2020 under the Niche Area of Excellence Project on Technology Enhanced Learning in Agricultural Education.

The participants were provided extensive and focused insights into digital content development and management practices. A total of 22 participants from different parts of the country attended the programme.

Speaking on the occasion of valedictory session on 31 January 2020, Dr Ch Srinivasa Rao, Director, NAARM called on the participants to continue the practice of implementing their acquired knowledge for betterment of education which in turn results in better knowledge ecosystem in Agricultural Universities. He lauded the efforts for developing online courses by each participant.

Drs V V Sumanth Kumar and G R K Murthy were the programme directors.

Dr Ch Srinivasa Rao, Director, ICAR-NAARM addressing the participants
