Postponement of Dates for GD&PI 2020

Considering the current situation prevailing in the country due to COVID-19 and the Government of India notifications, the Academy has decided to defer the dates of selection process (GD&PI), originally scheduled on April 16 - 20, 2020, for the PGDMA Programme. We will notify (through Email) the short-listed candidates regarding revised dates and schedules once the 3-week lockdown is lifted by the Government.
