

## 100% placement of XI batch of PGDM-ABM (2019-21) @ ICAR-NAARM

ICAR-NAARM Placement Team of PGDM-ABM (2019-21) takes immense pleasure and pride to announce that all the 46 students placed successfully in 21 reputed agribusiness companies. ICAR-NAARM recorded 100% placement, since the inception of the program. It is the 11th batch in a row recording an incredible journey year after year with increasing pay packages. The package offered ranged between Rs 6.5 lakhs and 12 lakhs per annum (lpa) with an average CTC of 8.5 lpa. We have added record number of 14 new companies to our recruiters list during this year. The academic rigor, farmers' serving attitude and the passionate students match the standards industry requirements, which proved to be a great asset to the recruiting companies. Our students are adequately equipped with personal and professional skill sets to excel in any of the agribusiness sector they get appointed to work in. The academy is very glad to see that amidst the ongoing challenges, our PGDM-ABM students are working relentlessly towards achieving the nation's objectives of Food and Nutrition Security to all and for the Prime Minister's clarion call of doubling farmers' income at the earliest.

The Director, Joint Director and Dean, Head-ABM division, the Placement Team and PGDM-ABM students thankfully acknowledge the support of our recruiting companies during this academic year 2020-21.
