

## International Webinar on “Fostering Global Collaboration” concludes at ICAR-NAARM

9th November, 2021, Hyderabad

The *International Webinar on “Fostering Global Collaboration among Agricultural Higher Educational Institutions”* organized by the ICAR-National Academy of Agricultural Research Management, Hyderabad from 8th to 9th November, 2021 concluded today.

The Webinar was organized in collaboration with the ICAR-Indian Agricultural Statistics Research Institute, New Delhi under the National Agricultural Higher Education Project.

In his address, Dr. R.C. Agrawal, Deputy Director General (Agricultural Education), ICAR & National Director, NAHEP emphasized on the internationalization of agricultural education, aligning to the National Educational Policy, Human Resource Development and multi-global practices, etc.

Shri Bekzod Shamsiev, Task Team Leader, World Bank suggested for utilizing the World Bank’s Network across the different countries to foster the global collaborations.

Dr. Ch. Srinivasa Rao, Director, ICAR-NAARM, Hyderabad and Dr. Rajender Parsad, Director, ICAR-IASRI, New Delhi were also present during the occasion.

The Webinar registered the participation by more than 200 participants from the State Agricultural Universities, National Coordinators, NAHEP Component - 2 Team Members and other ICAR Institutes.
