

ICAR-NAARM Organises 3-day Training on Entrepreneurial Skill Development for Graduate Students at BCKV, West Bengal

ICAR-NAARM conducted three days training programme on “Entrepreneurial Skill Development for Agricultural Graduates” under SCSP, for the students of Viswavidyalaya (Bidhan Chandra Krishi Viswavidyalaya). The training program was held from 11-13th March, 2022 in which a total of 100 students including 47 girl students were participated.

Delivering the inaugural address as chief guest, Dr. Ch. Srinivasa Rao, Director, ICAR-NAARM Hyderabad apprised the participants about the role of students in the nation building and sensitized them for higher education besides motivating them to pursue higher education. Dr Rao also lucidly explained present scenario of agriculture and various natural resources available in West Bengal state as well as in India towards promoting entrepreneurship.

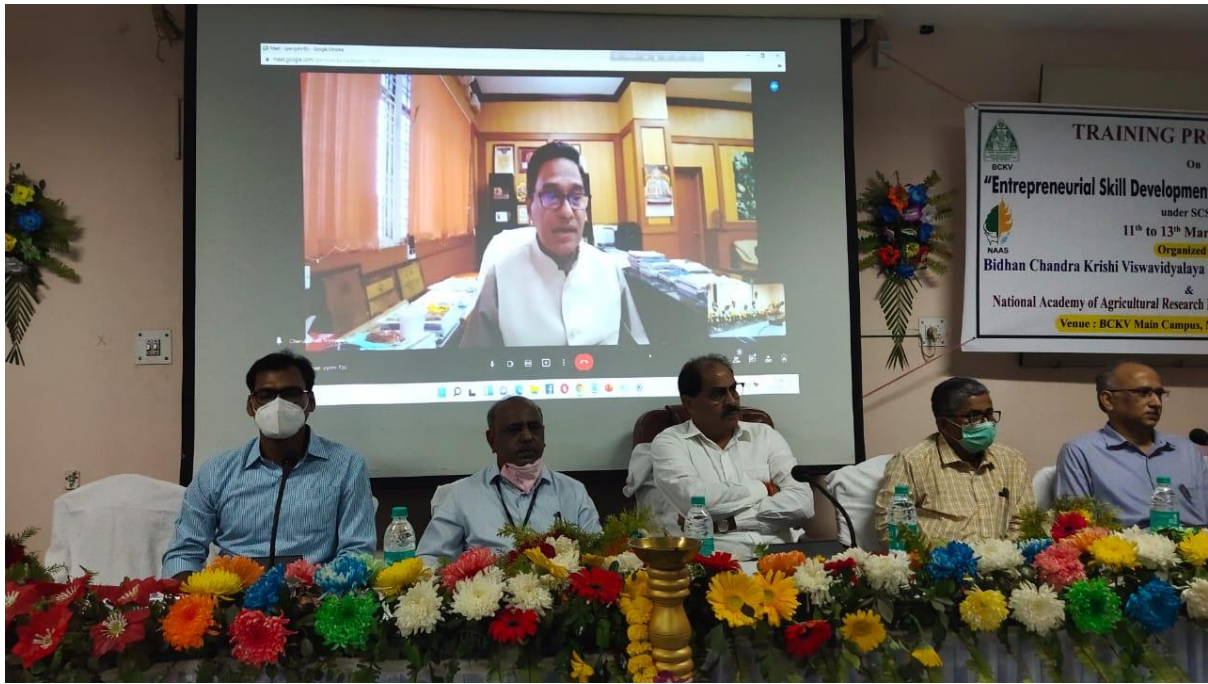

Prof B. S. Mahapatra, Vice-Chancellor, BCKV, Mohanpur, West Bengal graced the occasion as President of the Inaugural Programmes and highlighted the need of developing skills for becoming an entrepreneur. The training program sensitized the students regarding the career opportunities, prospects in agricultural education and agri-preneurship. The students were trained on the aspects related to improvement of communication skills and soft skills. Also he has appreciated the role of ICAR-NAARM for the exposing the student’s prospects of higher education in agriculture and entrepreneurship.

Dr S. Goswami, Dean, Faculty of Agriculture, participated as a Guest of Honour and stressed the students to make use of the training to help them pursue their future career avenues. The students were also imparted training on business plan preparation, design thinking and personality development.

Delivering the valedictory address, Prof B. S. Mahapatra, Vice-Chancellor, BCKV, Mohanpur, was urged all the participants to become a Job provider instead of becoming a job seeker by establishing different entrepreneurs.

The main objective of the programme is to promote and nurture entrepreneurship abilities in students and also to equip them with management and communication tools needed for making successful entrepreneurs and to share the skills and knowledge of successful, experienced, and competent staff to pass their expertise on students.

The program was co-ordinated by Dr. M. Ramesh Naik, Scientist, ICAR- NAARM with the local co-ordinator Dr. Gautam Saha, Professor from BCKV.

Inaugural address by Dr.Ch. Srinivasa Rao, Director, ICAR-NAARM
