

National Science Day Celebrations Organized by ICAR-NAARM

28-02-2023

The students should work hard against all odds to prosper in life with discipline, dedication and time management, said Dr. Ch. Srinivasa Rao, Director, ICAR-NAARM during National Science Day celebrations organized at NAARM today. Every year, National Science Day is observed to mark the discovery of the Raman effect by Indian physicist and noble Laurite Sir C. V. Raman on 28 February 1928, to develop the scientific temperament among youngsters. Dr Rao encouraged the students to learn by observation of their surroundings, and progress in academics by taking failures and constraints as opportunities, and develop a positive mind-set towards goal achievements. He emulated exemplary scientists' examples from various fields with whose scientific efforts the country has attained the development across decades.

Dr. G. Venkateswarlu, Joint Director, ICAR-NAARM, while speaking on the occasion, shared his knowledge on making use of resources available to recreate and achieve one's goal. He stressed the importance of girls to pursue education in general and science in particular for a successful nation. He also motivated the students to give the best of their abilities through hard work and consistency. While addressing, Smt. Uma Maheswari, Principal, ZPHS, Shamshabad, encouraged the students to work hard and be role models for others and conveyed her best wishes to them. She explained how the girl students are performing in exams while surpassing their counter parts from private education.

Around 210 students of 8th & 9th Classes of Zilla Parishad Girls High School, Shamshabad took part in the celebrations. The students were taken for a campus tour in two batches, and were appraised of the various facilities like Agro-technology park, Biodiversity park, Herbal garden, nursery, diff. orchids and floriculture fields in the campus. Amt Savithri Murali, ACTO, Dr. Laxman Ahire, ACTO and Dr. Kirtiranjana Baral, STO of NAARM facilitated the campus tour and visit.

Earlier, Dr. Ramesh Naik, Scientist, NAARM welcomed the students and teachers of the Zilla Parishad Girls High School. He explained the importance of celebrating National science day and how science plays a major role in day-to-day life.

Mrs. G. Aneja, CTO, NAARM, coordinated the programme, and proposed words of thanks. The students, teachers of ZPHS school, Shamshabad participated in the celebrations besides NAARM staff.
