

Fifty days training for Prospective CEO's of FPO concluded at a-IDEA, ICAR-NAARM

Date: 02 September 2023

a-IDEA, ICAR-NAARM organized valedictory ceremony of the 50 days training program on Agribusiness Management Development Program on today. This unique course, designed to nurture prospective CEOs of FPOs, is poised to revolutionize the leadership landscape within the agricultural sector with the funding support from NABARD TSRO.

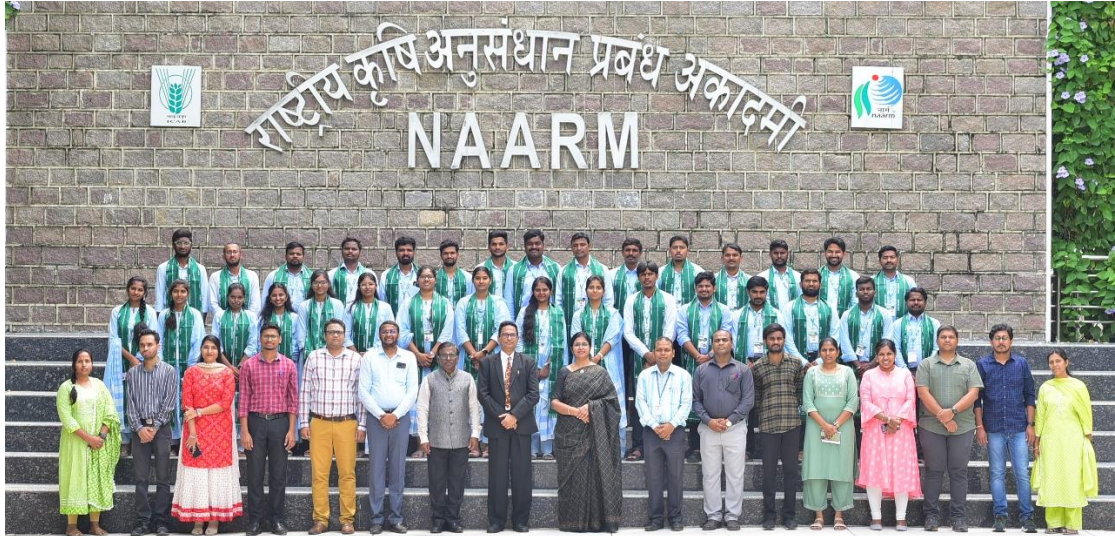

In his presidential address Dr. Ch. Srinivasa Rao, Director, ICAR-NAARM underscored the pivotal role of FPOs in addressing the challenges confronting Indian agriculture. He stressed the significance of strong leadership and governance within FPOs as key factors in enhancing farmers' income.

The Chief Guest of the event, Smt. Susheela Chintala, Chief General Manager, NABARD, Telangana, delivered an enlightening address. She emphasized the transformative potential of the ABMDP in reshaping the FPO landscape, addressing challenges, and boosting farmers' incomes. Smt. Chintala shared valuable insights and encouraged the students to collaborate and excel together, emphasizing that FPOs are the future of Indian agriculture. She indicated that this course is a finishing school for prospective CEO's in FPOs.

Dr. S. Senthil Vinayagam, CEO, a-IDEA, ICAR-NAARM, extended a warm welcome to the attendees and provided valuable insights into the comprehensive nature of the program. He emphasized that the program went beyond traditional classroom training, offering participants hands-on experience in FPO operations.

Dr. Sathyendra Kumar, Senior Business Development Manager of a-IDEA, expressed gratitude to all involved in making the program a great success during his closing remarks.
