

ICAR- National Academy of Agricultural Research Management, Hyderabad, marked the occasion of Sankalp 8.0, the national-level B-fest by the students of Post Graduate Diploma in Management-Agribusiness Management, on 22nd and 23rd September 2023. Sankalp 8.0 garnered an impressive response with over 9300 registrations from more than 1000 institutions, culminating in 200+ finalists in eight distinct events.

Shri. Siva Sankar Bathala, Head Human Resources, M/s Nuziveedu Seeds Ltd., inaugurated the event and opined that this is not just an event but it is a platform encouraging B-Schools and Industry to connect, compete, and collaborate for improved prospects.

Dr. Ch Srinivasa Rao, Director, ICAR-NAARM, said such events provide valuable insights that can be applied to personal and professional lives.

Shri. Jayottam Ganguly, Project Director, M/s SatSure Analytics India Pvt. Ltd., mentioned that this event was a great learning experience and opined that it revealed the potential of current young generations.

Several competitions among students in the field of entrepreneurship development such as business plans, idea and branding, etc. awarding the winners of all competitions. The winners and runner-ups shared their experiences with the event and hospitality at ICAR-NAARM.
