

MDP on Leadership Development Concluded at ICAR-NAARM

22-12-23

Ten-Day Management Development Programme on Leadership Development (A pre-RMP programme) was concluded for middle and senior level functionaries of ICAR and SAUs organized during 11-22 December, 2023. The objectives of this programme are to i) help participants understand their own personality dimensions; ii) explore leadership challenges and core competencies needed in present day context; iii) to develop understanding and skills in research and technology management, Information and knowledge management, and administration and finance management.

Delivering his valedictory speech Dr Ch Srinivasa Rao, emphasized the need to such programmes for mid-career development. He deliberated on the importance of effective leadership and its need in NARES system. Joint Director NAARM Dr G Venkateshwarulu has told that ICAR-NAARM has increased its scope in the development of human resources and urged the participants to encourage more participation from their respective institutes to participate in NAARMs trainings.

There were 25 participants in the programme from ICAR institutes and SAUs representing 17 states of India. This programme consisted of a blend of lectures, self-exploration instruments, case analysis, experiential learning, and group discussion. The programme provided them opportunities for mutual interaction and information sharing among the participants. And all ten days there was yoga session in the morning. The topics covered leadership and personality development; research and technology management; Information and knowledge management; Administration, finance, and vigilance management.

Dr K Srinivas presented the course report and Dr B Ganesh Kumar has proposed the vote of thanks.
