

## ICAR-NAARM Celebrates World Intellectual Property Day

26-4-24

ICAR-NAARM celebrated World Intellectual Property Day On April 26, 2024, under the theme 'IP and the SDGs: Constructing our shared future through innovation and creativity'. A seminar titled 'Intellectual Property Management' was organized by ICAR-NAARM.

The keynote address was delivered by Dr. P. Lakshmi Santhi, Senior Manager, SciTech Patent Art Services Pvt. Ltd. Hyderabad, who highlighted the importance of Intellectual Property Management. She also discussed on various aspects pertaining to IP and the SDGs, focusing on fostering innovation and creativity for a collective future.

Dr. G. Venkateshwarlu, Joint Director, in his presidential remarks, highlighted the pivotal role of innovation in burgeoning economies like India and stressed the significance of IP filings in catalysing innovations.

Earlier, Dr. Umesh Hudedamani welcomed the guest and emphasized the significance of observing World IP Day. The session garnered over 60 participants consisting of faculty, technical staff and trainees of Agribusiness Management Development Program (ABMDP). The event concluded with a vote of thanks delivered by Dr. Dipesh Debnath.
